Plaintiff,)
v.) ORDER DIRECTING DEFENDANT
MICHAEL J. ASTRUE,) TO FILE A SECOND
Commissioner of Social Security,) SUPPLEMENTAL BRIEF
Defendant.)

)

At the time of oral argument on October 16, 2007, the Commissioner was ordered to submit supplemental briefing no later than October 30, 2007 on an issue not addressed in its response brief. Plaintiff was given the opportunity to reply by November 6, 2007.

The Commissioner has apparently misconstrued the issue to be addressed, because his brief again fails to do so. The Commissioner should file a second supplemental brief addressing the following issue:

"Plaintiff contends that a moderate restriction in the ability to concentrate is inconsistent with a functional capacity finding that he can perform three-step tasks."

The Commissioner's brief should be filed no later than the close of business on Thursday, November 8, 2007. The plaintiff is relieved of the responsibility to file a response by November
